KEITH SIMPSON BEd. *Headteacher*

December 2018

Dear Parent / Guardian,

After six years as Headteacher of Middlewich High School I would like to pass on my thanks to all of you for your support. It has been a privilege and honour to serve the school and its community, and as I leave for pastures new I will carry many fond memories from this time. As a small comprehensive school we have maintained our holistic approach to celebrating the success of our highly talented young people both academically and as members of a thriving learning organisation. Due to the support from home and members of the local community these young people are given great opportunity to follow their dreams and ambitions. May I take this occasion to thank all of you in supporting this ethos; I look forward to hearing of their future success with great personal interest.

The family community feel that makes the school so unique is manifested by the colleagues that consistently put the children first. May I formally thank each and every one of them for allowing me to be part of this team. I wish all of my colleagues every success in their professional career and will miss the comradery that they bring.

I leave the school in the very safe hands of my staff and am delighted that Mr Edwards will be Acting Headteacher from January through to Easter. Following a rigorous process, Heidi Thurland was successfully appointed as the next Headteacher of Middlewich High School. She will be joining the school from Easter and I am sure you will all give her the same warm welcome that I was so privileged to receive. I am confident that Ms Thurland will build on the present best practice within the school and continue the outstanding working relationship with the community.

Wishing you all good health and much happiness.

Mr Keith Simpson
Headteacher
