Dear Parents/ Carers

Re: Safety for our children on the school site

Having reviewed both pupil and staff safety on the school site, the decision has been taken to close the staff car park between the hours of 8.30am and 3.30pm each day. This will limit movement of cars between these hours, ensuring the safe and secure passage of our students around the site during the busiest times i.e. 8.30am – 8.45am and 3.15pm -3.30pm.

Accessibility for students requiring entry to the reception area will be organised and car park permits will be issued.

Parking will be available all day on the school/ leisure centre car park. Recognising that this is a busy car park, however, can I request you review where you drop off and pick up our students in order to reduce any congestion around the school's perimeter. Our roads adjacent to the school are busy and we are working with highways to find solutions to ensure our students are kept safe at all times.

Thank you in advance for your co-operation and understanding.

Heidi Thurland
