

## MIDDLEWICH HIGH SCHOOL

HEIDI THURLAND BA (HONS 1<sup>ST</sup> CLASS) NPQH HEADTEACHER

Good Afternoon

As you will be aware, we are unable to complete our usual transition programme for Year 6 this year but rest assured that we intend to support all of our new students as much as possible.

You will have received some packs from school containing lots of information, a work booklet for your children and forms which will need to be returned to school in the envelope provided.

In the coming weeks we will be providing you and your child with more information and transition activities.

Our students have produced a guided tour of the school for you to enjoy. Please have a look, note where the form rooms are and familiarise yourself with the layout of the school site. Thanks to Mollie and Dan who did a really great job. You can access the video on the school website by going to:

**[HOME](#)»[PARENT ZONE](#)»[YEAR 6 TRANSITION](#)»[VIRTUAL SCHOOL TOUR](#)**

We have also established two dedicated email addresses so that you can contact us at school if you have any queries about the transition process or life at Middlewich High School.

For parental queries please send a message to: [transitionparents@middlewichhigh.cheshire.sch.uk](mailto:transitionparents@middlewichhigh.cheshire.sch.uk).

If it is a general enquiry we will address these as part of our 'virtual' transition evening in July. If you need a personal reply then please let us know as part of your message and we will get back to you.

If any Year 6 student has a question about life at secondary school they can write to [transitionstudents@middlewichhigh.cheshire.sch.uk](mailto:transitionstudents@middlewichhigh.cheshire.sch.uk). We will be getting some of our Year 7 students into school to take part in a 'round table' discussion about transition and life at Middlewich High. Please feel free to ask whatever you like and they will endeavour to answer it for you. Try to get your questions in before next Wednesday.

We are currently finalising form groups and working closely with our primary feeder schools so expect more information over the coming weeks.

Stay safe and see you soon.

*Steve Wiseman*  
Assistant Head (DSL)
