

Comments from some of the letters sent by current Y7's to welcome next year's Y6:

Madeleine Lunn: First of all, don't feel nervous about coming to Middlewich High School, you'll be fine and will get used to it very quickly. I felt nervous at first, but that feeling soon went when I knew where to go and when I got to know other students and my teachers. All the teachers are helpful and easy to talk to.

Grace Williams: My top tips would be to go talk to new people to make friends and don't be afraid to try new things. The more times you have to find places in the school the easier it is. Don't be afraid to ask people where to go. It does get easier along the way.

Hannah Casserly: I made my friends by just talking to people saying "Hello". I made some of my best friends by seeing what we have in common.

Holly Mellor: I am a very picky person when it comes to food but when you have the food from Middlewich high you will feel like you're in a 5-star restaurant.

Jack Hiett: The good thing about you starting in September is that most of the school are currently working from home so when it's time to start back we will all be feeling a bit nervous about going back. After a while I'm sure it will all work out.

Kira Marten: On my first day of High School I was nervous but mainly excited because it would be a new adventure for me and my friends.

Lexie Kinley: I was really excited on my first day I got the school bus alone not knowing anyone but it was all ok. There was nothing to be scared of.

Reece Brindley: If you have any questions you can ask your teachers or any of us.
