Excellence in Learning~Achievement for All

# Letter from the Head

I would just like to offer my own congratulations to all of our 2019-2020 Year 11 students on your fantastic achievements.

The 2019-2020 cohort coped with the most significant challenges any cohort could have been presented with in the history of the school. We have been delighted with resilience and courage demonstrated by all of you. I do hope that you take a moment to reflect proudly on your journey at MHS – keep believing in yourselves, we are incredibly proud of all of you.

The excellent support and commitment of your parents and the staff at the school must also be recognised.

As you move forward in your lives remember, knowledge is power. So keep reading, aim high, work hard, be kinder than you need to and most of all have fun!

I wish everyone a successful and happy future – you are unstoppable.

Headteacher
