Online Progress Consultation Meetings 2021

Dear Parents/Carers

Partnership with parents and carers remains our priority to support the progress of all our students here at MHS; students cannot achieve excellence unless we continue to work together.

In order to support this in a Covid secure way, we have invested in an online virtual consultation platform called School Cloud which is accessible by any device which has a camera and a microphone (including smartphones).

The software allows parents/carers to make appointments with their child's teachers on a designated date and to attend the appointment via video call allowing teachers to engage in a discussion around the progress and attitudes of their students. Each consultation will last for 5 minutes with timings for the consultations managed by the software with an onscreen countdown facility. A short instructional video is on our school website which aims to guide you through the setup of your account and how to book meetings with staff of your choice. Please see the link below;

<https://www.middlewichhigh.cheshire.sch.uk/page/?title=School+Cloud&pid=461>

Our Progress events are scheduled below

Year 11	28/01/2021
Year 9	11/02/2021
Year 8	04/03/2021
Year 7	06/05/2021
Year 10	20/05/2021

We will notify you again when bookings are open for each event (approx. 10 days prior to the event) when we will also confirm details of how to access the system, the times that will be available throughout the day, how to book your appointments and attend your meeting.

Many thanks for your continued support at home and I look forward to the feedback from our first experience of online parental meetings.

Kind regards

Mr Mark Edwards
Deputy Headteacher
