

Visyon Parent/Carer Webinars – Spring 2021

Our Parent Webinars are intended to offer information and ideas to help you in supporting your child with understanding and managing their emotions and wellbeing. These are open to parents/carers or other interested family members.

The webinars are delivered as a presentation on Zoom. As a participant you are not connected via video or audio but may interact or ask questions using the typed chat function. The webinars are delivered by Laura Kerr (Family and Schools Wellbeing Worker) and Paula Duncan (Young Person's Counsellor)

100% of parents who have attended the webinars to date have said they found them useful and would recommend to a friend. Comments we received included:

"I found it so reassuring and packed with fantastic practical tips"

"I have read books and used techniques recommended but so nice to hear someone give practical and sensible advice on something that rarely seems manageable!"

"Thank you for a very useful and informative presentation – an hour well spent!"
